

ABOUT US:

We are a voluntary group of enthusiastic parents/carers of children and young people with additional needs living in Blackburn with Darwen. We volunteer our time and energy to help improve the quality of life of families dealing with all kinds of disabilities and additional needs.

We always need more parents/carers to get involved. You can be involved as much or as little as you want. If you would like more information on how you can help please get in touch.

Working in partnership with Blackburn with Darwen service providers.
